

# A Message from EnviroSolutions

## ....South County's Community Partner....

The Lorton Arts Foundation's (LAF) Workhouse Arts Center is a true symbol of the transformation that has occurred in the South County community. The Foundation's adaptive re-use of a historic facility has created a place where the community can take advantage of a wide variety of cultural arts opportunities.

EnviroSolutions, Inc. continues to be an active supporter of the Workhouse and its mission to enrich the lives of all within its reach by creating a vibrant cultural community that fosters a diverse offering of arts, education, social and entertainment experiences for people of all ages. I encourage you to join us and to become a part of this exciting cultural arts community.

Attending classes and events, becoming a Friend of the Workhouse, and volunteering are all ways you, as an individual, can enjoy and nurture this wonderful organization. As a business, you can support the organization through financial support, sponsorships, corporate membership and in-kind donations.
